

Christmas

Our store has experienced forty-one Christmas Seasons and each one has been bigger and better than the one before. That's why we now have such a large, completely stocked Jewelry Store. It just came to us through honest, progressive business methods and natural growth.

Most all these years, our store has been recognized the "Gift Store of Anderson." That's partly due to the fact that it is a Jewelry Store but mostly on account of our honest effort to always give our patrons the best possible values and service.

We have stocked our store with all sorts of little novelties which we thought you would like to select as gifts, as well as laying in an unusually large assortment of the regular, staple article you would expect to find in any up-to-date Jewelry Store.

We really do not believe there is a single thing anyone could expect to find in a Jewelry Store anywhere that we haven't provided.

Come in and let us show them to you.

THIRTY PER CENT PROFIT ON SPECULATION EVEN GREATER PROFIT ON INVESTMENT

We have a fine tract of approximately 500 acres of rich, Chattahoochee river bottom land, situated in Stewart county Georgia, within twenty five miles of Columbus, which we will sell for SEVENTY per cent of what adjacent farm lands are selling for now.

Of this entire plantation, there is one portion of about 300 acres which we would sell separately. Of this smaller tract there are 120 acres cleared and under cultivation now; the balance—about 180 acres, is in woods. On the entire plantation there are fifteen tenant houses, barns and necessary outbuildings, and one large eight room dwelling house. The Seaboard Airline railroad runs through this place, and there is a sidetrack on the farm. There are 40 acres of nut bearing Pecan trees on the plantation at present.

This is a very desirable plantation, and to a practical farmer of grit, determination, some means, and who is not afraid of the work necessary in the management of such a plantation, this offers the opportunity of a lifetime.

Our only reason for offering this magnificent plantation at such a tremendous sacrifice is strictly a personal one, and we will give it to all interested parties, privately.

We will pay the expense of a trip to Stewart county if the investigator or his backers, buy the tract of land or any part of it. There are quite a few Anderson county people living in Stewart county Ga. now.

RED CROSS SEALS

Your Opportunity to Bring Christmas to Those Who Need Cheer.

The Red Cross Seals have all the significance of the regular Christmas stickers, but that does not begin to tell their story. In addition to a Merry Christmas and a Happy New Year greeting, the Red Cross Seals typify as nothing else of their kind does the real Christmas spirit of love and sympathy and service for a brotherhood of suffering humanity. They carry a message of helpful interest to forlorn hearts which cannot be directly reached, however much we may be willing. They give expression to the best impulse that comes from the heart of man—that of helpfulness to the unfortunate victims of poverty, misery and distress. They represent a real and potent effort to translate this spirit of helpfulness into money service toward alleviating the sorrow and suffering which tolls in the train of the Great White Plague. They give joy alike to the heart of the sender and to the recipient and help to save the life and happiness of some less fortunate brother beyond the personal reach of either who has already or may become the victim of tuberculosis. And tuberculosis is so largely a community sin.

Placed in correspondence, Christmas gifts pay envelopes, they carry at once a glad message, a cherished hope and a sympathy that cannot be misunderstood.

JURY INVESTIGATES LABOR PEACE COUNCIL

New York, Dec. 7.—Allegation of the activities of the Labor's National Peace council in stirring up strikes in war munitions factories, continued under investigation by the federal grand jury. The fact that the council is being investigated was announced by United States District Attorney Marshall. He said he had received information that the organization was financed with money furnished by Franz von Rittenlen through David Lamar.

The inquiry began last week with the arrival here of William P. Kramer, a Chicago official of the International Brotherhood of Blacksmiths and formerly vice president of the council and C. H. Canode, a Chicago printer who filled contracts for the council. Their evidence is not disclosed.

Marshall's statement is the first official notice concerning the alleged activities of von Rittenlen. Von Rittenlen was indicted last October charged with trying to force a passport to assist in a return to Germany, and is now in the custody of the British government awaiting extradition. Lamar known as "the wolf of Wall street" is under sentence to the Atlanta penitentiary for trying to impersonate a representative, A. Mitchell Palmer of Pennsylvania, is out on bail. The Labor's National Peace council was organized last year with headquarters in Chicago. Jacob C. Taylor, of East Orange, N. J., the president, said he welcomed investigation.

"Dick to Dick" in Court

Mrs. Frank Pense.

Mrs. Frank Pense, the young woman who as Mabelle Foster Abbott, was the discoverer of the famous "Dick to Dick" letter, alleged to have been written by Richard S. Ryan, a promoter, to Richard A. Ballinger, secretary of the Interior in the first administration, is going into court in New York in an action, the trial of which may throw some light on that famous case. She is suing a street railroad company for injuries. It was Mrs. Pense, then Miss Abbott, who, investigating for a weekly publication, said she saw the "Dick to Dick" postscript to the letter. In some way it mysteriously disappeared from the interior department files.

He Got There.
The man was reading the front page of the newspaper as he walked across the busy street.

"Gee," he mused, "I'd like to get my name in big type on the front page of a newspaper."

Just then a street car jumped into the man.

He got his name on the front page of the next edition of the paper. But he missed the story.

AGE AND SULPHUR DARKENS GRAY HAIR

It's Grandmother's Recipe to Restore Color, Gloss and Thickness.

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture by asking at any drug store for a 50 cent bottle of "Wright's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. Besides, it takes out dandruff, stops scalp itching and falling hair. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears, but what attracts the ladies with Wright's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.

ELECTION TO DECIDE ON SCHOOL TRUSTEES

WILL BE HELD ON SECOND
TUESDAY IN JANUARY
1916

THREE VACANCIES

Terms of G. N. C. Boleman, J. M. Padgett and J. D. Rast Expire on That Date.

A general election will be held on the second Tuesday in January to fill the places of three of the trustees of the city schools, the terms of Messrs. J. M. Padgett, G. N. C. Boleman and J. D. Rast expiring on that date. Mr. Boleman will not seek reelection, having reached this decision because of the constitution which provides that no person shall hold two offices of honor or profit at the same time. The other two gentlemen, it is understood, will offer for reelection.

Mr. J. A. Brock, chairman of the board of trustees, has announced that the act of creating the district provides that a general election be held, and that the same qualifications for voting be required as in any general election, which is that only qualified electors will be allowed to vote. The voters must hold state registration certificates and have evidence of having paid their state and county taxes.

The trustees elected at this time will serve for the period of six years.

AT THE THEATRES

ENTHUSIASTIC AUDIENCE

Witnessed Show at Anderson Last Night—New Bill Today.

A large and enthusiastic audience witnessed the second evening performance of "One Little Maid" which was presented last night by the Jacquith players at the Anderson. The attendance was far greater than the one on Monday evening and that the show was appreciated was evidenced by the man encores. This company is very pleasantly surprising the people of Anderson with its clean, wholesome comedy.

Good music is being furnished under the direction of Mr. Winfield P. DeLong, ably assisted by the regular orchestra and Mr. Webb von Hasseln with violin.

Mrs. Charlotte DeLong and Misses Alice Maurice and Dolly Kauders are rapidly winning the hearts of those who have witnessed their performances and also the leading male members of the troupe, Alfred Beaumont, W. B. Edmundston and Ray King are showing up well. The chorus showed up better last night both in songs and dancing, than it did on Monday night.

This afternoon and this evening the company will present a farce comedy with music entitled "Whose Baby." Some of the musical numbers will be Wink, Blinky, Chinky Chinatown; Just Forget It; I'm Crazy Over You; The Sweetest Girl in Monterey, and many others.

NAT GOODWIN

Anderson People to See Him on December 10.

Anderson people will have an opportunity of seeing Nat Goodwin in "Never Say Die," a comedy, at the Anderson on December 10. Mr. Goodwin is making a two weeks tour of the south and it is only by chance that Mr. Trowbridge booked him for the Anderson, this night being used to fill in between Greenville and Augusta.

Mr. Goodwin will be supported by Miss Margaret Mooreland, who in truth is his fifth wife. Mr. H. E. Smith, advance man, was in the city yesterday making final arrangements for the show.

Will See President.

Washington, Dec. 7.—Senator Gallinger and Representative Mann, republican leaders will see President Wilson tomorrow and Thursday and talk over the administration's national defense plans. President Wilson expects to point out that he believes national defense should not be made a partisan matter.

Enlisted.
